Leadership Award in recognition of its work in supporting staff and students resulting in increased student achievement. The Board was also recognized for their efforts to engage the community in the work of the schools.

Each year the Connecticut Association of Boards of Education (C.A.B.E.) selects Boards of Education to receive a **C.A.B.E. Leadership Award**. This award is designed to recognize Boards of Education and Superintendents who work effectively as a team in leading their District. A Board of Education has to meet several criteria in the following areas in order to receive this recognition: *Board Member Professional Development; Policy Development; Community Relations; Related Organizational Leadership; Board Leadership/Student Achievement*.

Kevin D. Case, Superintendent of Schools commented "I am so proud of the work we accomplish together on behalf of the Canton Public Schools Community, and most importantly for our students. I am fortunate to work with a Board of Education comprised of individuals who volunteer their time to support public education in our community. Although our Board of Education members do not work in the hopes of being recognized, it is wonderful when a professional organization recognizes the outstanding work they do. I thank them for their commitment and dedication to our community."

The Canton Board of Education is comprised of: Julie Auseré – Chair, Dana Kosior – Vice Chair, Peg Berry – Secretary, Maria Bradley, David Briggs, Ana Cavanaugh, Jack Powell, Joseph Scheideler, and Helen Treacy.
