The Board shall notify the Association in writing of all new hires within seven (7) calendar days of hire.

The Board will fund fifty percent (50%) of the applicable HSA deductible amount. One-half of the Board’s contribution toward the deductible will be deposited into the HSA accounts in July and the remaining one-half will be deposited into the HSA accounts in January.

The parties acknowledge that the Board’s contribution toward the funding of the deductible plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed teachers. The Board shall have no obligation to fund any portion of the deductible for retirees or other individuals upon their separation from employment.

Wellness Incentive: The health insurance plan set forth in this Article shall include a wellness incentive program, designed to provide early diagnosis and appropriate information to patients so that they and their health care professionals can determine appropriate, timely courses of treatment as needed. The wellness program will include age-based preventive physical examinations and age-based preventive screenings. If a teacher and the teacher’s spouse (as applicable) fulfill all applicable requirements of the wellness program for a plan year, the Board will contribute an additional five percent

(5%) of the applicable deductible under the HSA plan into the teacher’s HSA for the following year.

The annual maximum reimbursement by the Board for teachers participating in the HRA shall not exceed the dollar amount of the Board’s annual HSA contribution for teachers enrolled in the HSA.

2. Blue Cross/Blue Shield Dental Plan - Full service dental coverage for initial and routine oral exams and prophylactics, x-rays, denture relining and repair, routine fillings, simple extractions, and endodontics within coverage limits. Dental Rider A (Caps and Crowns) will be made available, at Board expense for teacher only, dependents entirely at teacher expense.

4. Group Life Insurance - For employees hired prior to July 1, 2012 the following provisions shall apply: Death benefit shall be 200% of basic-annual salary to a maximum benefit of \$200,000. Accidental Death and Dismemberment (AD&D) benefit of 400% of basic annual earnings to a maximum of \$200,000.

For employees hired on or after July 1, 2012, the Board will provide term life insurance in the amount of \$50,000, with double indemnity for accidental death and dismemberment.

**B. Cost Sharing**

The Board of Education and the employees will share in the cost of insurance, based upon the fully insured rate, for coverages set forth in Article III A. (1-2) as follows.

	<b>2018-19</b>	<b>2019-20</b>	<b>2020-21</b>
<b>HSA Plan</b>	<b>20.0%</b>	<b>21.0%</b>	<b>22.0%</b>

C. Section 125

The Board of Education shall offer a “full flex” Section 125 pre-tax premium-conversion account to all teachers for the purpose of allowing teachers to meet their insurance premium contribution and to cover medical expenses (traditional and limited use) and dependent care. The parties shall select a third party administrator by mutual agreement.

D. Change of Insurance Carriers

The Board shall have the right to change insurance carriers, plans and/or to self-insure in whole or in part in order to provide the insurance set forth above, provided that there shall be no reduction or diminution in the above coverage and no increase in expense to bargaining unit members and provided further that changes which require second opinions, pre-admission screening or like requirement shall not be construed to be changes in coverage.<sup>1</sup>

The president of the Association shall be notified in writing within thirty (30) days of all intention to change carriers, plans and/or to self insure, and shall have a reasonable opportunity to review the proposed changes. Should the Association and the Board disagree that the changes proposed will provide coverages at least equal to the coverages described above at no additional cost to staff members, the disagreement(s) shall be subject to impartial arbitration as set forth in Article V of this Agreement, preferably before any arbitrator with experience and expertise in insurance matters. Should either party so elect, such arbitration shall be expedited under the Rules of the American Arbitration Association for expedited arbitration.

E. Excise Taxes

The Patient Protection and Affordable Care Act ("PPACA"; Public Law 111-148) has set forth and codified under the Internal Revenue Code (IRC) §4980I the imposition of an excise tax related to employer provided health insurance plans that exceed certain value thresholds.

Should any Federal statute or regulation pertaining to IRC §4980I and/or any material amendment to IRC §4980I and/or any related and/or similar state or federal law, be mandated to take effect during the term of this Agreement triggering the imposition of an excise tax with respect to any of the contractually agreed upon insurance plans offered herein, the parties agree to commence mid-term negotiations on the excise tax in accordance with the Teacher Negotiation Act. Such negotiations shall be limited solely to the distribution of payment of the excise tax, health insurance plan offerings, coverage, design, and premium cost share. Other negotiated subject matters shall not be subject to this reopener provision.

---

<sup>1</sup> The only diminution in administration will be in second opinions, pre-admission screening or like requirements.

**ARTICLE IV  
CONDITIONS OF EMPLOYMENT**

A. Leave Policy

1. Sick Leave

Each teacher shall be entitled to fifteen (15) days leave with pay each year for personal illness with the right to accumulate unused days from year to year for a total of one hundred eighty-six (186) days.

**Applicable only to teachers hired prior to July 1, 1999:** Each teacher retiring from teaching under the Connecticut Teachers' Retirement Act having accumulated fifteen (15) years of service in the district shall be paid for forty-five percent (45%) of his/her accumulated sick leave based upon his/her average base pay over the highest three (3) years of service. Payment shall be made during July of the fiscal year after termination of employment, provided notice in writing of intent to terminate is given prior to February 1, otherwise payment shall be made during the next succeeding July.

2. Personal and Emergency Absences

Each teacher shall be allowed a maximum of five (5) personal days per year for:

- a. religious holidays;
- b. serious illness of the spouse, parent or child of the teacher or a member of the teacher's household (or another relative of the teacher, upon approval of the Superintendent);
- c. up to five (5) days in the event of the death of a spouse, parent or child, and up to two (2) days in the event of the death of another relative of the teacher (unless otherwise approved by the Superintendent).
- d. legal matters beyond the employee's control; and
- e. other reasons of a personal or emergency nature, communicated to the Superintendent, which make absence from school unavoidable and necessary.

The teacher shall notify the Superintendent in writing for the impending personal absence stating the reason for such leave. This leave will not be used preceding or following a school holiday unless the Superintendent in his/her sole discretion

approves. Additional paid personal absence may be granted upon approval of the Superintendent of Schools, at his/her sole discretion, following written request with statement of reasons. Denial of such additional leave shall be grievable only to Level Three of the grievance procedure set forth in Article V of this Agreement. Teachers will make reasonable efforts to schedule appointments, including medical and dental, during non-school hours.

3. Sabbatical Leave

Sabbatical leaves of one-half (1/2) or one (1) full year may be granted at the discretion of the Board to certified personnel upon recommendation by the Superintendent for purposes of approved study, travel or planned program of professional activity subject to the following conditions:

- a. Sabbatical leaves may be granted only to those who have completed seven (7) years' service in Canton, and who have a master's degree or thirty (30) hours above a bachelor's degree.
- b. Requests for sabbatical leave must be received by the Superintendent no later than January 1 of the school year preceding the school year in which the sabbatical leave is requested. The Board will render final action on such applications and inform applicants of its decision before March 1. Applications will include an outline of the purpose, the program, the activities (itinerary), and the interim and final report which will constitute the sabbatical leave program.
- c. A teacher on sabbatical leave will be paid fifty percent (50%) of his/her annual contract rate of the contract year preceding the sabbatical leave. Insurance programs shall be continued and all normal deductions shall be made.
- d. The teacher shall agree to return to employment in Canton for one (1) year for each semester of leave granted to him/her. If the teacher does not return, he/she must repay the full amount of reimbursement granted him/her; if he/she returns for only one (1) year to Canton, he/she must repay one-half (1/2) of the full amount of reimbursement granted him/her. No leave shall be granted unless the applicant agrees in writing to comply with this requirement.
- e. Not more than one (1) staff member will be granted sabbatical leave in each year.
- f. Any subsequent changes in the planned program must be approved by the Superintendent of Schools.

- g. The applicant will attempt to secure financial grant-in-aid as a possible means of reducing the cost of the program to the community. It shall be understood that the total amount of compensation received from all sources shall not exceed the recipient's placement on the Canton salary schedule for the year of the sabbatical leave. Any monies in excess of the recipient's Canton salary shall be deducted from the one-half (1/2) of the full salary.
- h. The Board reserves the right to reject any and all requests for sabbatical leaves of absence. Decisions of the Board regarding requests for sabbatical leaves of absence are not subject to the grievance procedure in Article V.

4. Childrearing Leave

Upon request, any tenured teacher who is expecting a child or who has received acceptance to adopt a child shall be granted a long-term leave of absence for childrearing purposes. The "ordinary" request for childrearing leave shall be made at least thirty (30) days prior to its commencement. However, in extraordinary situations the thirty (30) days' notice shall be relaxed.

Such leave shall be for a maximum of eighteen (18) months and shall be unpaid with no accrual of benefits. Teachers may continue to participate in the Board's medical and dental insurance plans at their own expense, except to the extent paid continued coverage is required by law. Leaves commencing through January 31 of any year shall terminate at the beginning of the following school year or at the end of the second marking period of the following year. Leaves commencing February 1 through August of any year shall terminate at the end of the second marking period of the following school year or the beginning of the second following school year. If the Board determines that termination of the leave at the end of the second marking period would negatively impact the educational program of the students directly involved, the leave shall terminate at the beginning of the school year indicated above. Teachers who have been granted childrearing leave would be given priority in filling a vacancy in their area of certification.

5. Other Leaves of Absence

Other leaves of absence may be granted at the discretion of the Board.

    - iii. An effort will be made to minimize the number of times a given teacher shall be assigned to a sixth period.
    - iv. Prior to assigning a sixth period, the administration will first seek volunteers. No teacher will be involuntarily assigned to teach a sixth period when a qualified volunteer is available.
    - v. Assignment of a teacher to a sixth period shall not be used to reduce a three-fifths (3/5) or more position.
    - vi. The teacher assigned a sixth period shall be compensated for such period at 20% of his/her base annual pay.
    - vii. No other consideration, agreements, or incentive shall be offered to the teacher who volunteers, nor shall any pressure be brought to bear upon any teacher to seek the position.

J. Professional Development

1. Release time will be provided to teachers for curriculum planning revision, conferences, and/or other professional development activities. Early dismissal days shall be scheduled at the discretion of the Board.
2. For each Mentee (per the TEAM Program), a Mentor Teacher shall be granted four (4) hours of release time in each school year to meet with the Mentee. In no event shall the total release time, regardless of the number of Mentees, exceed twelve (12) hours per school year. Compensation as set forth in Table IV.

K. Professional Growth

If specialized instruction for teachers is necessary to implement new content of existing programs, then such instruction shall be provided by or financed by the Board.

The Board shall provide continuing assistance to all staff members in the proper utilization of all materials available, and in the screening and use of all instructional materials.

To be included in all changes and additions are:

1. written statement of purpose and objectives;
2. listing of expected outcomes from such programs; and
3. functional means of evaluating all such programs.

All of the above will be carried out in cooperation with representatives of the teaching staff.

L. Teacher Facilities

1. There shall be space in each classroom in which teachers may safely store and lock instructional materials and supplies.
2. If space is available, a teacher workroom in each school containing adequate equipment and supplies to aid in the preparation of instructional materials shall be provided.
3. An appropriately furnished room in each school to be used as a faculty lounge (said room to be in addition to the aforementioned teacher workroom) shall be provided.
4. Each school shall contain well-lighted, well-supplied, and clean teachers' restrooms.

M. Pay Periods

A teacher shall have a choice of twenty-two (22) or twenty-six (26) equal pay periods. Payments shall be made biweekly on the same day as other employees. In the case of election of twenty-six (26) equal pay periods, a balloon payment will be made covering the twenty-second through twenty-sixth payments at the time of payment of the regular twenty-second check. The initial paycheck for the year will be issued the first Friday of the work year per current practice. Payment during the Christmas break shall be arranged by mutual agreement of the parties.

All teachers shall be paid by direct deposit.

Subject to all applicable laws, the last check of those people terminated, resigned, or retired will be held until work is completed.

N. Tax Shelter Annuities

The Board agrees to forward all monies to companies per pay period and deposits will be made as often as investment companies allow.

The Board shall make available a Section 457 Plan of its choosing. The plan participants shall be responsible for any administrative fees associated with the plan.

O. Teaching Assignments and Transfers

1. All teachers shall be notified in writing of their assignments and schedules for the ensuing school year, including the schools to which they will be assigned, the grades and/or subjects they will teach and any special or unusual classes or assignments they will have as soon as practical, but not later than June 15 or the last day of the teachers' work year, whichever is later.
2. In order to insure that pupils are taught by teachers working within their areas of competence teachers shall not be assigned except in accordance with the regulations of the Connecticut State Board of Education.
3. Teachers who desire a change in grade and/or subject assignment or who desire to transfer to another building shall file with the office of the Superintendent a written statement indicating their desires. Such statements shall include the grade and/or subjects to which the teacher wishes to be assigned and the school or schools to which he/she wishes to be transferred.
4. Teachers are assigned by the Superintendent of Schools. The Superintendent will be guided in these assignments by what, in the Superintendent's judgment, is best for students, considering the needs of the schools, the training and experience of

the teacher and the preferences of the teacher. The preferences of the individual teacher will be considered but shall not be determinative. Any involuntary assignment or transfer shall be made only after a meeting between the teacher involved, a representative of the Association and the Superintendent, at which time the teacher shall be notified of the reasons for this assignment or transfer.

5. In arranging schedules for teachers who are assigned to more than one (1) school, an effort will be made to limit the amount of interschool travel. Such teachers shall be notified of any change in their schedule as soon as practicable. All necessary travel shall be compensated at the IRS mileage reimbursement rate. Driving time is not to be included in the one-half (1/2) hour duty-free lunchtime.
6. Teacher assignments or transfers shall not be made on the basis of age, race, creed, religion, nationality, sex, sexual orientation, gender identity or expression, marital status, or other protected category.
7. To the extent feasible, when transfers are required, volunteers shall be transferred first.
8. When involuntary transfers become necessary, length of service in the school system shall be considered in determining which teacher shall be transferred.

P. Forced Staff Reduction

1. Forced staff reduction occurs when the total number of full-time positions or fraction thereof established and budgeted by the Board of Education from funds appropriated by the town or other source is less than the total number of full-time equivalent employees qualified and available in these positions.
2. Forced staff reduction can result in dismissal from employment or displacement from assignment. Conditions that may result in the elimination of positions thus occasioning forced staff reduction include:
  - a. decline in student enrollment;
  - b. change in curriculum or program;
  - c. severe financial conditions;
3. Teachers with temporary emergency permits will be dismissed from employment if their use would result in termination of employment of fully certified regularly contracted teachers.
  - a. Teachers employed under Durational Shortage Ares Permits (DSAP's) shall be considered for layoff before any certified staff member whose

certification and experience qualifies him/her for the position held by the DSAP. Teachers holding DSAP's have no rights under this procedure.

4. Remaining teachers (non-tenured and tenured) shall be designated as to their certification/field/discipline/area (elementary, science, music, English, etc.) and level (K-8, 7-12, K-12, etc.).
5. Non-tenured teachers in a designated certification area and level that requires dismissal shall be dismissed before any tenured teacher. If there are more non-tenured teachers than are needed for dismissal, the factors to be considered shall be (a) performance and (b) length of service.
6. Tenured teachers (already designated as to certification area and level shall be placed in length of tenured-service bands of thirty (30) months (1 to 30, 31 to 60, 61 to 90, etc.). When forced staff reduction is necessary in a designated area and level among tenured teachers, the lowest tenured service band of thirty (30) months that contains tenured teachers will indicate those teachers from whom the forced staff reduction will be made.
7. When it is necessary to determine dismissal or displacement from assignment among tenured teachers in a length of tenured service band, the following factors shall be used as positive determiners:
  - a. specified unique abilities and/or competencies possessed to meet needs of remaining positions;
  - b. amount, applicability, and recency of experience relative to needs of remaining positions;
  - c. amount, applicability, and recency of preparation relative to remaining positions;
  - d. highest degree status recognized for salary purposes by the Board of Education;
  - e. longest, total experience recognized for salary purposes by the Board of Education.
8. Any reductions from full to part-time positions within a certification group will be considered as a partial separation and subject to the criteria of separation.

Q. Recall Procedure

1. The name of any teacher whose services have been terminated because of the elimination of position or a reduction in professional staff shall be placed upon a

reappointment list and remain on such list for two years provided such teacher does not refuse a reappointment.

2. Any teacher on the reappointment list shall receive a written offer of reappointment at least thirty (30) days prior to the date of reemployment. The teacher shall accept or reject the appointment in writing within ten (10) days. If he/she accepts the appointment, he/she shall receive a written contract at least fifteen (15) days prior to the effective date of reemployment, where possible.
3. Recall will be based on a reversal of the staff reduction criteria.
4. No new teacher shall be hired in an area of certification until all laid-off teachers from that area of certification have been recalled or declined the opening.
5. Teachers being recalled shall be placed on the list and given all earned benefits of all teachers whose length of seniority is the same as that of the returning teacher.

R. Just Cause

No teacher shall be disciplined, reprimanded, reduced in rank or compensation, denied an increment, suspended, or denied professional advantage without reasonable and just cause.

S. Personnel File

No material which is negative in nature originating after original employment shall be placed in a teacher's personnel file unless the teacher has been notified and has had an opportunity to sign, date, and review the material. A teacher may submit a written notation regarding any material in his/her file, and the same shall be attached to the file copy of the material in question. When the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material. No anonymous complaint shall be placed in any teacher's file.

T. Other Conditions

1. Without defining or limiting the term, other "conditions of employment" shall be as set forth in Article IX, replaced by Section 4000, of the Canton Board of Education Policy Handbook. The Board agrees that no revision of said article shall be adopted by it during the term of this Agreement without prior discussion with the Association. If any such revision is deemed by the Association to significantly adversely affect any group of teachers, recourse may be had to the grievance procedure hereinafter provided.
2. On an annual basis, no later than June 15th each teacher and the Association shall receive an electronic copy of his/her payroll authorization/salary agreement.

3. Upon agreement between the Board of Education and the Association, this collective bargaining agreement will be provided electronically to each teacher no later than 30 days after the signing of the contract.

## **ARTICLE V GRIEVANCE PROCEDURE**

### **A. Definitions**

1. A “grievance” is a complaint by a teacher or group of teachers that, as to him, her, or them, there has been a violation, misinterpretation or misapplication of the provisions of this Agreement, or of the rules, regulations, administrative policies or directives of the Board, or that he, she, or they have been treated unfairly or in a manner inconsistent with established policy or practice.
2. An “aggrieved person” is the person or group of persons making the complaint.
3. A “party at interest” is any person or persons who might be required to take action or against whom action might be taken in order to resolve the complaint.
4. “Days,” when used in this article, shall, unless otherwise indicated, mean working school days.

### **B. Procedure**

#### **1. Informal Procedure**

Any aggrieved person shall first discuss the matter with his/her principal or any other appropriate administrator, either directly or through the Association’s school representative, and make every effort to resolve the problem at this level.

#### **2. Level One - School Principal**

If the aggrieved person is not satisfied with the disposition of his/her grievance at the informal level, or if no decision is rendered within five (5) days, and in any event within (30) calendar days after occurrence, he/she may submit his/her grievance in writing as a formal grievance to the principal, who shall render a written decision within five (5) days to the aggrieved person and, if such person so desires, to the Association school representative.

#### **3. Level Two - Superintendent of Schools**

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One or if no decision has been rendered within five (5) days after presentation of the grievance in writing, he/she may, directly or through the Association, file a written request for appeal within five (5) days after receipt of the decision at Level One, or, if no decision is given, within five (5) days after the decision was due.
- b. Within five (5) days after the receipt of the appeal, the Superintendent shall meet with the aggrieved (and representatives of the Association, if involved). A record shall be kept of the hearing by the Superintendent or his/her designee.
- c. The Superintendent shall render a written decision to the aggrieved person, with a copy to Association, if involved, within five (5) days after the hearing.

4. Level Three - Board of Education

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two or if no decision has been rendered within five (5) days after presentation of the grievance in writing, he/she may, through the Association, file a written request for appeal with the Board Chairperson within five (5) days after receipt of the decision at Level Two, or, if no decision is given, within five (5) days after the decision was due.
- b. Within fifteen (15) days after the receipt of the appeal, the Board, or a committee thereof shall meet with the aggrieved and representatives of the Association. A record shall be kept of the hearing by the Board secretary or his/her designee.
- c. The Board Chairperson shall render a written decision to the aggrieved person, with a copy to the Association, within ten (10) days after the hearing.

5. Level Four - Impartial Arbitration

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, or if no decision has been rendered within ten (10) days, the aggrieved may file a request for arbitration with the Association.

- b. The Association may submit the grievance to arbitration by written notice to the Board Chairperson, and by filing a request for arbitration with the American Arbitration Association pursuant to its rules. Such notice and request for arbitration shall be given within fifteen (15) days after receipt of written decision at Level Three or, if no decision is given, within fifteen (15) days after the decision was due.
- c. The arbitrator shall act in accordance with the AAA rules and shall be without power or authority to add to, delete from or modify this agreement or to make any decision which requires the commission of an act prohibited by law or which is in violation of the Agreement. Such decision shall be final and binding, except as otherwise provided by law.
- d. The expense of such arbitration shall be borne equally by the Board and the Association.

C. Miscellaneous

- 1. If in the judgment of the Association a grievance affects a group or class of teachers or involves a matter policy or precedent, the Association may submit such a grievance in writing, beginning at Level Two, or carry the grievance to the next level, even though the aggrieved person or persons do not wish to do so.
- 2. Decisions at all levels of the grievance procedure shall be in writing setting forth the decision and the reasons therefore.
- 3. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 4. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of procedure.
- 5. Nothing contained herein shall be construed as limiting the right of any teacher having a problem to discuss the matter informally and confidentially with any appropriate member of the administration or with any appropriate member of the Association.
- 6. When a grievance is submitted by an individual teacher without Association involvement at Levels One and Two, the principal and/or Superintendent shall notify the Association that the grievance exists stating the aggrieved person's name, date of filing and the nature of the grievance.
- 7. The number of days indicated at each level is a maximum and every effort should be made to complete the successive steps in less time if possible; provided, however, that the time limits indicated may be extended by mutual agreement of

the parties at the level concerned, with a corresponding change in any related time limits, but in no event for a period to exceed ten (10) additional days at each step.

8. In the event a grievance is filed on or after June 1, every effort shall be made to resolve the same prior to the end of the school term or as soon thereafter as is practicable.
9. Failure at any level in the procedure to communicate the decision on a grievance within the specified time limits shall entitle the aggrieved person to proceed to the next step. Failure at any level in this procedure to appeal a grievance within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
10. No reprisals of any kind shall be taken by either party or by any member of the administration against any party at interest or any other member of the Association by reason of his/her participation in the grievance procedure.

## **ARTICLE VI VIRTUAL LEARNING**

- A. The intent and purpose of virtual learning is to provide a vehicle for the cooperative offering, exploration of, and sharing of educational opportunities among districts, along with the opportunity for students to take courses not offered in our School District in an interactive format.
- B. It is not the purposed of virtual learning to reduce the total number of bargaining unit positions, members employed, or hours worked as a result of the implementation of a virtual learning environment. This does not preclude the use of virtual learning to provide an instructional program where limited enrollment precludes a course offering taught by a bargaining unit member in a regular classroom setting.
- C. All virtual learning classes must be taught or overseen by a certified teacher, who is qualified to teach the subject and level of the virtual learning course. The District will first seek volunteers for such assignments prior to assigning a teacher to teach a virtual learning course.
- D. The Board of Education shall post all positions involved with virtual learning (i.e., Virtual High School Site Coordinator) as per contract.
- E. The Board of Education shall provide teachers the necessary training to prepare them for virtual learning assignments. The Board shall provide the training as part of professional

development for teachers so assigned. All technological equipment and support services shall be provided by the Board.

- F. Teachers and coordinators shall be provided with the necessary release time to confer and prepare for required responsibilities.
- G. In addition, the parties agree that if issues develop during the term of the contract not addressed herein, the parties agree to enter in mid-stream bargaining in accordance with the provision of C.G.S. 10-153 (e).

**ARTICLE VII  
TERMS OF AGREEMENT**

The terms of this Agreement shall be for July 1, 2018 to June 30, 2021.
