Jordan E. Grossman, Ed.D., Superintendent of Schools

July 3, 2023

Dear Canton Public Schools' Community:

I am excited to begin my tenure as the proud Superintendent for the Canton Public Schools. I would like to take this opportunity to share with you how deeply touched and honored I am to be your Superintendent of Schools. I look forward to working collaboratively with the Canton community to build upon the strong tradition of a superior education and immersing myself into the Canton culture to work my hardest on behalf of students, families and staff.

There is so much for the Canton community to be proud of and celebrate. Students and staff excel in all areas of the school system. **The Canton Public School has earned the reputation of being one of the Best School Districts in the State of Connecticut.** Our Canton Board of Education, students, staff, and community at large deserve to be recognized for outstanding achievements and I will share our story with enthusiasm and pride.

As I work with the Canton Board of Education and staff over the next several months, my focus will be to always keep students at the forefront. Communication will be a key component to our success as a district. Throughout the year, I will hold Superintendent Community Conversations to gather input from our community to move our outstanding district forward into the next decade.

I cannot thank you enough for such a warm welcome back to the Canton community. I look forward to working with you for many years to come.

Respectfully,
